Pequea SL6 Lime Spreader for Rent

Have you recently soil tested a field and it needs lime? Have an old forgotten field you'd like to bring back into production? Ulster Co. SWCD is expanding its no-till and soil health equipment rental program! Ulster Co. SWCD now has a **Pequea SL6 Lime Spreader** for rent to Ulster County producers! If you're interested in renting the lime spreader, call our office at (845) 883-7162 ext. 3 or email Jake Wedemeyer at jake.wedemeyer@ny.nacdnet.net for a copy of the rental agreement and more information.

Rental Requirements:

- Be a landowner in Ulster County and use the spreader on land in Ulster County.
- Lime spreader is PTO driven, no hydraulic hookups required. Tractor must be capable of meeting 540 RPM PTO requirement .
- Ability to provide a certificate of insurance listing the spreader on your policy and the District as additional insured for the duration of the rental.
- Lime spreader holds 6 tons of lime per load.
- **NO FERTILIZER IS TO BE USED IN THE LIME SPREADER!**
- Rental Fees:
 - \$50/day rental fee.
 - No delivery charge if the user is an AEM program participant.
 - \$100 cleaning fee if spreader is left excessively dirty or full of lime.

We ask all potential users to have flexibility built into their spreading schedule, unforeseen issues may occur and weather/field conditions may vary.
