Millcreek 304 Row Mulcher for Rent

Looking to mulch your newly planted orchard trees or berry bushes? Want to spread compost on vegetable beds? Ulster Co. SWCD is expanding its no-till and soil health equipment rental program! Ulster Co. SWCD now has a **Millcreek 304 Row Mulcher** for rent to Ulster County producers! If you're interested in renting the lime spreader, **call our office at (845) 883-7162 ext. 3** or **email Amanda at amanda.sandor@ny.nacdnet.net** for a copy of the rental agreement and more information.

Rental Requirements:

- Be a landowner in Ulster County and use the spreader on land in Ulster County.
- Row Mulcher is PTO driven, no hydraulic hookups required. Tractor must be capable of meeting the 540 RPM PTO requirement.
- Ability to provide a certificate of insurance listing the spreader on your policy and the District as additional insured for the duration of the rental.
- Row Mulcher can spread compost, wood chip mulch, etc. and holds 3 yds³ to 4 yds³ of material per load.
- **NO FERTILIZER IS TO BE USED IN THE ROW MULCHER!**
- Rental Fees:
 - \$50/day rental fee.
 - No delivery charge if the user is an AEM program participant.
 - \$100 cleaning fee if mulcher is left excessively dirty or full of material.

We ask all potential users to have flexibility built into their spreading schedule, as this will be a new program for the District unforeseen issues will likely occur, and weather/field conditions may vary.
