

Esch 5607 No-Till Drill for Rent

Planning on renovating your pasture or hay field? Want to plant cover crop this fall? Interested in trying no-till for the first time? Ulster Co. SWCD has a 7' **Esch No-Till Drill** for rent to Ulster County producers capable of doing all those things! If you're interested in renting our new no-till drill, call our office at (845) 883-7162 ext. 3 or email Travis Ferry at travis.ferry@ny.nacdnet.net for a copy of the rental agreement and more information.

Rental Requirements:

- Be a landowner in Ulster County and use the drill on land in Ulster County.
- Have at minimum a 50 Horsepower tractor with 1 set of hydraulic remotes in the rear.
- Ability to provide a certificate of insurance listing the drill on your policy and the District as additional insured for the duration of the rental.
- Drill does not accept fertilizer; **NO FERTILIZER IS TO BE USED IN THE DRILL!**
- Rental Fees:
 - \$10/ac
 - No delivery charge if user is an AEM program participant.
 - \$100 cleaning fee if drill is left dirty or full of seed.

We ask all potential users to have flexibility built into their seeding schedule, as this will be a new program for the District unforeseen issues will likely occur, and weather/field conditions may vary.
